Game reviews on Metacritic, 3D Ultra Cool Pool for PC, 8 Ball.n You can practice your standard 45-degree bank slams and your. root balls into shuttlecocks. Hit and roll the balls that fly at you to record the rating. Learn to play better. 4.5 out of 5 based on 14 ratings. The game is good, but the picture quality could be a little better I'd give it 3 out of 5 for graphics. Over time, I'll somehow buy it, when, as they say, "I'll put it in quality." There is no magic and magic here, as in Harry Potter, but, nevertheless, the game is addictive. I tried to play it online - nothing like that. Good game, very addictive! The only thing I don't like about it is the appearance at the end of the game of the "Dull" difficulty level, otherwise the game is interesting, especially if 2 players play. A simple game, but also addictive, especially when the opponents, and not running around on the walls, like hordes of rats in previous games.
